Electronic Giving

Our mission is to honor and obey God by providing help and healing to troubled children and families in need, who then may bless others.

Electronic Giving

Gateway Woods is offering the convenience of electronic giving for your contribution. This means that your contribution can automatically be transferred from your savings or checking account to our account. When you use this feature, you may specify the amount of the contribution on a biweekly, monthly, quarterly or one-time basis, and you may specify the preferred date of transfer. You can change or discontinue this giving at any time.

How It Works

You authorize a regularly scheduled giving to be made from your checking or savings account. Then, just sit back and relax. Your donation will be made automatically on the specified day. You never have to worry about forgetting a payment or mailing it on time. Proof of your giving will appear on your bank statement. The authority you give to charge your account will remain in effect until you notify us verbally to terminate the authorization.
